# Open House Strategy

Whether or not an open house is where your buyer comes from, they serve a strategic purpose - aggregating interested buyers in a specific geographic area. By showcasing your property with an open house, or simply leveraging the leads generated at another nearby open house, we will create and target a highly-qualified, localized group of buyers.

Placing a yard sign and directional signs on key corners, all with balloons and riders

Getting on the phone the morning of the open house to remind everyone about attending

Scheduling other open houses in the area in various price ranges to attract the maximum amount of interested buyers

Distributing fliers, dynamic emails, and a lead-optimized landing page to actively drive buyers to your open house

Personally knocking on your neighbors' doors to invite them to attend and tell their friends

# CAPTIVATING STAGING

Staging is what creates a "wow factor" when a buyer walks through the door of your property. It's what creates an emotional response and can often influence whether or not an offer is made.

# It's in the Details

### EYE-CATCHING YARD SIGNS

Coming soon. For sale. Just sold. You have certainly seen these signs throughout your neighborhood - and their purpose is clear: to create excitement and interest around a listing. While much emphasis is placed on online advertisement these days, many buyers still look for their next home the old-fashioned way - by simply driving around their desired neighborhood. Professionally designed signage and property fliers will market your home 24/7 and capture attention from highly qualified buyers looking specifically in your area.

# YOUR LISTING, AMPLIFIED

When you list with me, we'll have access to the Keller Williams Listing System, or KWLS. This proprietary, exclusive system ensures your property is marketed online 24/7 through hundreds of the most popular search sites.

### DOOR-KNOCKING

While online marketing is critical in today's business environment, sometimes nothing beats grabbing a pair of comfortable shoes, some fliers, and pounding the pavement. You can rest assured that if selling your property quickly and for the best price possible requires knocking on a hundred doors, I'll do it.

# HIGH-QUALITY PROFESSIONAL PHOTOGRAPHY

Crisp, clear photos will make your property pop online and maximize visual appeal. I work with highly qualified, professionally trained real estate photographers who specialize in making your house look its absolute best.

### **ENGAGING VIDEOGRAPHY**

Video is at the heart of an effective digital marketing campaign and can provide a distinct advantage in a competitive market.

### MASS MOBILE MARKETING

When you choose to work with me, your home will be listed on my mobile app and will be put in the hands of millions of buyers!

# A Promise

To serve the community as a leader in the real estate industry and as a friend and neighbor

To always do the right thing, even if it isn't what is easiest

To take care of your needs at the highest level through unparalleled professionalism and attention to detail.

No request is too small

To serve as a trusted local expert and adviser by your side

To consistently and clearly communicate with you in the manner and frequency that you prefer

To treat you and your family with straightforwardness, integrity, and respect at all times

To answer your questions, ease your concerns, reduce your stress, and expertly handle the entire real estate transaction from listing to closing and beyond

# Selling Safely

As committed as I am to getting you the best possible offers on your home, I'm even more dedicated to keeping you and your property safe in the process. Below are some of the precautions I am taking to maximize the safety of your living space.

# VIRTUAL SHOWINGS

During the initial phase of the listing process, I will minimize the number of people entering your property by hosting virtual open houses via either a live streaming service or a prerecorded video uploaded to my website and social media pages. If you choose to hold a more traditional open house, we can work together on specifics to make it as safe as possible.

# SOCIALLY DISTANT TOURS

Serious potential buyers who show proof of prequalification and agree to follow safety guidelines can schedule an in-person tour. The safety guidelines include:

- Maximum of four people per appointment (five including myself)
- General symptoms assessment upon arrival (including temperature check)
- Masks to be worn over the nose and mouth at all times while on property
- Disposable shoe coverings to be worn at all times while inside the house
- · Appointments will last no more than an hour
- Majority of discussion will take place in well-ventilated areas
- High-touch surfaces will be disinfected after showing
- All follow-up paperwork will be conducted digitally

# **CONTACTLESS TRANSACTIONS**

All showing requests, offers, and as much of the closing process as possible will be handled digitally. Any necessary in-person interactions will take place in well-ventilated areas following social distancing guidelines.

These safety measures are standard for all transactions, but I am more than happy to honor any additional precautions you have in mind.

# The Bottom Line

Real estate is complicated.

That's where I come in

At the closing table, my goal is for you to feel that the experience of selling your home exceeded all your expectations, so throughout all of our interactions - from listing to closing - I will work hard to achieve that goal.

When you choose me as your partner, you are not just getting a trusted, respected agent - you are getting a local expert who is passionate about serving our community and those who call it home.

Let's get started.
